Come & Play - Enjoy Your Day!

Fun on the Farm

Animal Farm

Mangela Animal Farm provides a superb entertaining environment for children to touch, feel and interact with animals. We are home to wide variety of animals ranging from exotic chickens, ducks, rabbits, goats, sheep, donkeys, emus and many more. It is the perfect place for parents to enjoy some time out with their kids!

Playground

The Playground covers an all weather play area with a jungle gym, swings and tree houses. It provides a safe environment where youngsters can have bags of fun and let off steam. There is also an area where adults can sit, relax and keep an eye on the kids. Whatever the weather - you can guarantee fun at the Mangela Animal Farm.

Jumping Castle

Our huge jumping castle next to the play area is still the kiddies favourite. They can enjoy hours of fun - jumping up and down and running around between the playground and the castle.

Little Cars

We have little cars for self-drive (not real ones though!) A fun tricycle track around the playground provides hours of entertainment for the young ones.

Pony Rides

Pepe and Misty, our miniature ponies are a favourite with all the kids and they are cuing to enjoy a pony ride on the two stars of Mangela.
